Behind the Scenes

A Church Business Meeting will be held following the worship time **this Sunday morning, July 20**. Discussions and possible actions will be taken on the naming of an Advisory Task force to guide us during this time of adjustment as we search for a possible partner congregation to serve with us. A revised Budget will be presented and a report on the furnace, as well as other updates.

The Furnace Project has been completed. As you may remember, the furnace system in the Education Building broke down last winter. After much investigation and discussion, *All Star Heating and Air* was authorized to rebuild the furnace and boiler, and update the room to current standards. The final tests have proven everything is operational and ready for the coming fall and winter seasons. Thank you to *Cale Gauger*, owner of the company, and *Ray Martin* for their many hours of intense, cost-saving labor.

Applications for **The Glenn and Joan McKinley Scholarship** are available for students attending colleges and universities other than Oklahoma Baptist University. Request the form through the church's e-mail at **office@bradenpark.org**. The applications need to be returned to the church office no later than Sunday, July 27.
